EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Robert Strozier on 9/24/2010.

The application has been amended as follows:

Claim 134, line 1, delete "216" and add --218--.

Claim 213, line 1, delete "216" and add --217--.

Claim 216, line 2, after "closed to", insert --form--.

In the Specification, page 1, between lines 2 and 3, insert the title --Field of the Invention--.

In the Specification, page 1, between lines 11 and 12, insert the title --Description of Related Art--.

In the Specification, page 3, between the lines 4 and 5, insert the title --Objects of the Invention--.

In the Specification, page 3, between lines 9 and 10, insert the title --Summary of the Invention--.

In the Specification, page 23, between lines 27 and 28, insert the title --Detailed Description of the Drawings--.

In the Specification, page 25, between lines 21 and 22, insert the title --Description of Preferred Embodiments--.

Reasons for Allowance

2. The following is an examiner's statement of reasons for allowance: The closest prior art of record, Clark (USPN 4,588,631), fails to anticipate or render obvious the distinct feature of "the ply A is molecularly oriented in a direction parallel or substantially parallel to its flute direction as determined by shrinkage tests", as now recited in independent claim 100. Furthermore, the Examiner is relying on Applicant's arguments on page 16 of the remarks filed 6/21/2010, as the basis for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
